- Items for further discussion
- Next meeting (5 minutes)

Key Takeaways/Highlights:

- Goal: develop 1 toolkit for the telenovela series and disseminate it to 7 organizations, who will each host 2 sessions of the telenovela trainings/PrEP discussion
- Anticipate that number will grow; start with initial number exposed to training and then expand to include those who participate in trainings held by each trainer in their respective communities
- Mini Grants at an increased amount need to be distributed amongst less number of organizations

Decisions Made

- Get broad overview on what has been mandated with the Leadership Team
- Expand outreach of telenovela. Continue funding for Spanish-speaking projects
- Encourage STD screening and routine testing for HIV, even a times people get a yeast infection

Successes to Share, including any progress on metrics:

Action Items:

- Allison to connect with Karuna/Robin regarding tracking database/outline.
- Allison will contact Dienza for possible presenter
- Lori will track AETC-registered trainings and participants. Allison will assist with collecting data on any trainings that are outside of the AETC system. Encourage trainers/event organizers to use AETC system (and connect with Lori) for ease of data tracking.
- Patty to communicate with Providers for Stigma Reduction and train health care personnel to disperse best practices
- Planned Parenthood and Positive Prevention Plus to work in collaboration for Stigma Reduction
- Needs Assessment to be done by SCCPHD regarding barriers to prescribing PrEP and HIV/AIDS biases

Proposed Agenda Items for next meeting:
