Key Takeaways/Highlights:

- Report back from Mini Grant Recipient Planned Parenthood Mar Monte (HIV education/awareness) at Christopher and Gilroy High School.
- Report back from Mike Torres regarding State Update on Getting to Zero at Berkeley
- Bob Reed from HIV Commission stated 'Treatment is Prevention' needs to be a part of our integrated Work Plan
- Work needs to be done to improve EHR in clinics, as in, to make it more automated
- There is issue linked to Data-sharing with clinics
- Opt-out screening and Testing being done well in places like Sonoma in Northern California. Providers are Champions and good examples
- Tech Sites good for hosting GTZ meetings

Decisions Made

Successes to Share, including any progress on metrics

- Schools are not present in SHE Training, and planned parenthood provides comprehensive sex education to schools
- Lori works with Providers. Providers doing a better job at Testing, STD Guidelines or Insurance requirements

Action Items

- Help Schedule Mike and Kevin to meet with chairs and teams, and discuss with them on moving work plan forward
- Plan Meeting to review GTZ Strategies and Goals will be worked on the next month
- Continue to acquire survey from team members
- Schedule special meeting to discuss Minigrant / matching funds

Proposed Agenda Items for next meeting:

1. Special meeting for Tuesday, 7/24 (9:00 am-10:00 am). Location TBD

Introduction

Mini Presentation by Lori

Outline of deliverables over time

2. August meeting (possible half day) Annual GTZ Retreat/Review revised Work Plans and Data possible speakers.

Questions/Identified TA Needs:
